Map to Office

\\W10060-2\dec forms & documents\Maps\DEC Map.DC

From the intersection of Arendell and North 35th Street, that is the intersection where the front of the hospital is on one corner and KFC is across N. 35th Street from the hospital. Turn north on 35th Street and cross Bridges Street passing the US Post Office on your left. Continue on N 35th Street for approximately half of a mile and we are in the colonial building with the dark green roof on the left. We are between the Day Care Center & The Sports Center. There are 2 palm trees at the entrance. Below is a picture of our office.
